We strongly believe we possess the knowledge, skill and critical understanding of the socio-economic, political and cultural mind-set of the market we serve to enable us to offer the most cost-effective pricing for your travel spent.

The Company has enhanced itself with highly trained consultants, who have relevant experience in the industry and have been with the company since inception. They are able to guide and advise you to the best travel solution when you need it the most.

COST SAVINGS

With the capacity we have, we are able to negotiates rates on behalf of our clients with participating airlines, hotels as well as car rentals. We take a holistic approach to achieving savings. This will be a key focus for your Project Manager, and we highlight target areas below:

With the right management of your supplier spend, you can define a supplier programme that maximises any supplier discounts – we do this for our and deliver real cost savings. Airline discounts are available in the form of an upfront at the point of sale based on volumes an reviewed every year. Our Account Manager will work with you to identify which supplier discount structure works best for Client. They will also drive the implementation and maintenance of these.

Benchmarking will form a critical part of the methodology we utilise and initially we will undertake benchmarking exercises to:

- Benchmark cost of travel: air travel, car rental, accommodation.
- Benchmark your deals against competitors, businesses with a similar spend and industry averages.
- Analyse the likely effect of changes to your Travel Policy before taking action.

We will work with you to monitor and recommend improvements to the Travel Policy in order to achieve maximum cost savings.

To improve visibility of overall travel, spend, we can provide Client with the travel management reports.

RESERVATIONS

Imbeko Travel and Hospitality (PTY) LTD provides a comprehensive service comprising international and domestic air, hotel and car hire reservations. At the time of reservation, we explore all possible options and specials.

Imbeko travel and Hospitality (PTY) LTD has excellent relationships with its suppliers and has negotiated agreements whereby key personnel in hotels and airlines priority reservations service centres are assigned to assist us with difficult or emergency confirmations.

Full written confirmation will be provided on all domestic and international reservations prior to documentation being prepared. This enables the passenger to make any changes and confirm the details before travel commences. All documentation will be sent to the travellers with their preferred form of communication.

AIR TRAVEL

The system which we use allows the consultants to follow a process which will ensure accuracy in the booking process. Our cueing operating system is Galileo, Licensed by Travel Port and our back-office system is IMBfile and we do Voyager booking when requested to.

Our suggestion for Air Travel Carriers will depend on the traveller's destination. Out-bound travel from Major Cities in South Africa is mostly with Airlink, Flysafair and Kulula/ British Airways while for international destinations we can offer a number of options, so our recommendation will be based on price, routing options, etc.

Airlines Booking Classes

Imbeko travel and Hospitality (PTY) LTD will plan, arrange, amend and pay for confirmed reservations by our Travelers before date of departure.

At Imbeko Travel and Hospitality we will negotiate discounts and standard tariffs for air travel with all available airline companies.

- Airlines have three options that we use when we make flight reservations.

1. **Business Class** – with business class we can make booking / changes / revalidation at any time depending on seat availability.

- Complete cancellations can only be done same day the ticket is issued, subject to airline rules.

- Ticket can be used at a later stage due to revalidation system, subject to airline rules.

- Full refunds take up to 8 weeks after the ticket is issued, subject to airline rules.

- Ticket valid for 6 months and revalidation done at no charge, Subject to airline rules.

2. **Full Economy Class** – with Economy Class we can make booking / changes / revalidation at any time depending on seat availability.

- Complete cancellations can only be done same day the ticket is issued.

- Ticket can be used at a later stage due to our revalidation system, subject to airline rules.

- Full refunds take up to 8 weeks after the ticket is issued, subject to airline rules.

- Ticket valid for 6 months revalidation done at our office, subject to airline rules.

3. **Discounted / Special Fares** - time frames apply mostly on discounted fares, the more in advance you book the better the fare.

Changes or cancellation of such fares are subject to penalties.

- The solution to avoid all these penalties and restriction is to stick to what is confirmed for you.

Air Travel Booking Process

Air travel arrangements will be arranged through our travel team who will process air reservations as follows:

- Upon receipt of an approved documentation, the travel consultant will make a preliminary booking.
- All travel requests will be processed according to Client Travel Policy and Service Level Agreement.
- All pre-loaded and negotiated agreements will be accessed through our Global Distribution System (GDS).
- The search for airfares will include low-cost carriers and alternative booking channels i.e., web-based airfares to offer the best fare on the day. (This requires credit card payment.)
- Once the preliminary booking has been accepted by Client, the travel consultant will confirm the reservation and issue all travel documents via our fully automated end-to-end mid-office system.
- The travel consultant ensures adherence to all other Client requirements related to air travel, such as baggage allowances, check-in times, lounge access and visa requirements (should this be applicable).
- Imbeko Travel and Hospitality will provide all travellers with SMS confirmation of travel arrangements to enhance communication with the travellers of Client.
- Once an e-ticket is issued, financial documentation is stored centrally for access by finance team who will provide Client with a reconciled travel statement on a weekly basis.
- We have allocated a dedicated financial team who will assist in the administration of Client travel account.

To alleviate the loss of funds through unused tickets, Imbeko Travel and Hospitality offers a centralised refund solution across all service platforms. This automated process will deliver a savings of up to 5%, through refunds on unused tickets.

- These fares can be changed with their restrictions but at a charge (depending on airline rules)

- Ticket valid for 6 months, subject to airline rules.

ACCOMMODATION

We have agreements with all the hotels, Bed and Breakfasts and Guest Houses in South Africa and Internationally depending on the requirements of the traveller. Domestically we deal extensively with the Southern Sun Group of Hotels, Protea Hotels, and Premier Hotels, Bed & breakfasts and guest houses. However, when it comes to accommodation requests, our clients will invariably request specific establishments. When we are called upon to suggest an option, we will endeavour to seek the most appropriate establishment.

For all our international accommodation, we go through our various tour operators who will deal directly with the international establishments to make sure that everything is in place before the date of travel i.e. Thomson's tours, Travel vision, International travel Tours, In-Vogue tours and Trafalgar Tours, to mention the few which make our international travel hassle free.

Hotels don't offer discounted rooms, they generally have different standards of room at different prices i.e. - suites, presidential suite, executive room, king superior rooms, king leisure rooms, standard rooms and budget room, we will depend on the requirements of the traveller, taking into account the prescribed Treasury cost containment measures.

Cut-off time for submission of normal hotel bookings – 12 hours but for emergency bookings we can always arrange something depending on hotel availability and when we are called upon to suggest an option, we will endeavour to seek the most appropriate establishment for the travellers of Client.

Cut-off time for submission of Hotel Reservation changes is 12 hours and Deadline for cancellation of reservations to avoid penalties is 12 - 24 Hours (subject to hotel policy).

Cancellation fee after stipulated deadline (NO SHOW) - failure on our part to cancel a

Reservation, will result in the establishment regarding this as a NO-SHOW, and will

Then invoice us for the cost of the room rate for one night, but if the client informs us on time, we can try to arrange for the charge to be reversed (subject to hotel policy). In this regard we subjected to hotel policy and rules as they may differ from place to place.

We normally request that if there is any frequent guest member in an organisation that we are provided with the information for us to at all time link it with the confirmed reservations.

Accommodation will at all time include Bed, breakfast, dinner, parking and soft drinks unless and Lunch Pack when requested to or stated otherwise on the quotation request form. Accommodation will be booked in accordance with the procedures agreed between Imbeko Travel and Hospitality and Client.

Imbeko Travel and Hospitality consultant, upon receipt of approval, will process the accommodation reservations with preferred accommodation providers. During this process we will assess and review:

- Your negotiated rates
- All bookings will be made in accordance with your travel policy.

- Once the preliminary booking has been accepted by Client, the travel consultant will confirm the reservation and issue all travel documents via our end-to-end system.
- We currently have an active international hotel directory in excess of 14000 hotels across 133 countries. Client will have instant access to the programme. Our consultant will make reservations with these and other international accommodation suppliers on your behalf.
- Domestic and international accommodation will be settled via our debtor account or settle directory where applicable.
- Imbeko Travel and Hospitality will recommend our preferred suppliers with whom we have agreements in place.

CAR RENTAL AND SHUTTLE SERVICES

Car Hire, Ground transportation and Shuttle Services

Imbeko Travel and Hospitality deal extensively with Avis Car Rental, Thrifty Car and Van Rental, Budget Car Hire, Imperial Car Rental, hertz Car Rental, Kempston Car Rental, Bidvest Car Rental, Holiday Autos, Riegers Car Hire to mention the few of our Car Rental Suppliers.

Imbeko Travel and Hospitality will adopt and adhere to the agreements which the client might have with their preferred car hire company.
We will book Cars for the Client all over South Africa and for all our international travel we will go through our various tour operators i.e. Thomson's tours, Travel vision, International travel Tours, In-Vogue tours and Trafalgar Tours.

Ground Transportation / Shuttle Services

We arrange Chauffeur drive and point to point, from airport to hotel to intended destinations through our various suppliers depending on the specifications of the Client.

As for shuttle services, we normally use hotel shuttle services for hotels that are close to the Airport this service is normally free of Charge. For Hotels that are far from the airport hotel shuttles are arranged, we also make use of Ulysses Tours because of their reasonable pricing. With the ASATA Accreditation this allows us easy access to all Travel products and services in the Market.

Imbeko Travel and Hospitality consultants, upon receipt of approval, will process the vehicle reservation with preferred car rental supplier of the Municipality. During this process we will assist and review:

- All the bookings will be made in accordance to your travel policy
- Approval received by means of a confirmation order.
- Once the preliminary booking has been accepted by Client, the travel consultant will confirm the reservation and issue all travel documents.
- When the request for amendment and changes, an order number is received in writing. Your travel consultant will affect the amendment.

Any changes to travel documentation will be forwarded to both the traveller and supplier electronically With transportation a key element in the travel process, we are able to provide various offerings by way of transfers and shuttle services. We have a long-term relationship with all shuttle companies, as well as other strong bonds with key suppliers in the transportation sector. We also offer additional services such as:

- Point to Point transfers
- Meet and Greet services
- VIP services (Chauffer services)

AFTER HOURS and EMERGENCY SERVICES

Imbeko Travel will provide a 24-hour emergency travel service for all passengers from the clients. We offer a 24-hour service and our after-hour contact is Mr Siphiwo Budaza 0728296138.

Our customer service offers a 24hour emergency call service (including weekends), backed by cellular telephones and laptop computers. This will ensure that all our customers can receive assistance at any time to ensure that they enjoy their travel experience. The service facility will cater for all the requirements of the portfolio, providing a full range of travel related service and products. The office hours for the local service facility are negotiated in conjunction with corporate and interviews for consultants include both parties, to ensure that there is a marching of cultures suited to the travel portfolio.

Our travel consultant will provide a complete travel service to Client during office hours. Our after-hours service is available 24/7 and is in-sourced which means that by applying the same management, systems and processes that we do during office hours we offer you improved control over key areas of your travel programme.

The after-hours service is effective once the office closes in the evening and re-opens in the morning. The after-hours service is provided by our team. In summary the process will work as follows:

- Contact details are provided to clients.
- Clients phone through on designated numbers.
- Consultants obtain basic information from the client and access the booking to make the required changes.
- It is important that the client's personal information is up to date as this is the consultant's primary source of information.
- The after-hours consultant will make the reservations / changes and issue the relevant tickets
- The booking is sent for invoicing and finalisation.
- You will receive a monthly log of after-hours calls.

COMMUNICATIONS

We have a customer Relationship Management Team dedicated to measuring and facilitating the management of service, standards, formats, service level agreements and product development. Internal workshops are conducted to ensure that standardization is achieved and that has been complemented by a 24-hour response emergency-service.

We understand that corporate clients demand impeccable levels of service and we work closely with our clients to implement a strategic Service Level Agreement. The Service Level Agreement provides documented guidelines for performance management to ensure that we are meeting required expectations.

We conduct a periodical visit to our clients to provide Client relationship between them (consultants and Client).

Service Pricing Scope

High volumes, long term relationships and exclusive arrangements allow us to offer the most competitive rates and fares across a broad spectrum of travel service and products.

This allows clients to obtain corporate fares and rates, and details on any specials available. When booking multi-sector airfares, such resources equate to substantial savings, and in so doing, aligning our interest with the client.

FINANCIAL MANAGEMENT

We will present invoices on a weekly basis, and a monthly statement and reconciliation will be presented to the finance Department and we can customize the invoice to reflect the information required by Client. Because of the bill back system, the client will make payment on the invoice we present, either by EFT or by Cheque, whichever is the preferred method by the Client.

The company's revenue is derived from the service fees we charge. This will be reflected on the invoice which we will present to the client. The invoice will also reflect the total of the cost of the service provided, and in the case of hotels and Guest Houses we will also include the invoice by these principals. This will ensure transparency.

TECHNOLOGY, MANAGEMENT INFORMATION REPORTING / GALILEO

Galileo Southern Africa is the selected Central Reservation System we use, which means that Imbeko Travel and Hospitality (PTY) LTD travels reservations may be accessed anywhere in the world. This is essential in the provision of a 24-hour world-wide service to our travellers.

Imbeko travel and Hospitality (PTY) LTD has direct linkage to all major airlines, car hire companies and hotels, including a hotel mapping and information system. We are also able to load our own exclusively negotiated airfares in this system which ensures that the reduced airfare is offered at point of sale, above that, we can even create travellers' profile on this system.

We are aware that Client Travellers, travel frequently owing to the nature of their functions, and well aware that travel arrangements and accommodation will only be for the person travelling for official reasons and in the interest of the institution with prior approval, which is why we thought we must put emphasis on how the task on Flights, Accommodation, Ground transportation, Conference arrangements will be Implemented.

Our system in use is IMBfile, thus ensuring a complete travel management information system with applications to process all travel arrangement needs. IMBfile is equipped to ensure a full travel service function. Major investment in information technology has helped to achieve efficiency and effectiveness in all aspects of our services. The Travel Consultant will book directly in the GDS reservations system. This allows your organisations the most effective and reliable travel management.

At Imbeko Travel and Hospitality, undoubtedly, acknowledge the most important factor when analysing the performance of the client travel management programme, we therefore boast the latest technology, which, upon request, allows instant access to structured reports.

Imbeko Travel and Hospitality will provide reports monthly and quarterly as required by National Treasury Cost Containment.

There are a variety of reports available and we will customize and tailor these reports to match the accounting systems and processes required. There are various reports available, each tailored to suit the needs of the client travel portfolio. Travel Analysis Reports detail traveller information.
Analysis per department/ section, offering a complete breakdown of individual departments/ sections and/or cost centres, include client recharges.

Our reports can be customised according to your requirements – we can provide you with all the reports requested above as part of our overall reporting to you. Our Travel Management Reports are accurate because our quality control technology throughout the travel cycle has ensured that the integrity of the data is correct.
We are able to measure possible trends and opportunities for changes in traveller behaviour. Our compliance reporting tool has the ability to immediately alert you to anyone travelling out of policy, whether that is related to security risks or outside-of-policy savings controls.
Your reports will also be discussed with you in detail by your allocated account manager during quarterly reviews. The reporting, based on your real travel information, provides insight into travel patterns and behaviours to identify opportunities to drive efficiencies in your travel programme.

ACCOUNT MANAGEMENT

Imbeko Travel and Hospitality understands the need for a travel partner that has an intimate knowledge of the client travel portfolio. Imbeko Travel and Hospitality strives and commits to achieve the matching of creative, innovative culture with our customers by utilizing a comprehensive travel management programme, which ensures alignment with our interest as a strategic partner to add value to the travel portfolio.

Imbeko Travel and Hospitality recommends to all our corporate clients, that a total quality travel management programme is implemented and managed by a key Account Manager.
